Rating Sheet—Research Proposal Meeting with Supervisor

Candidate Directions: At this meeting, you are required to discuss your research proposal, provide documentation of your evidence, and finalize your research question.

Supervisor Directions: Rate the candidate using the following criteria. Check or circle the boxes that correspond to candidate's level of participation and preparedness. Then provide a total score. **THE STUDENT WILL RETURN THIS FORM TO MS. MANWELL.**

	3 Points	2 Points	1 Point
Discussion	Candidate was able to lead the discussion of his/her topic based on research provided in proposal.	Candidate was able to participate in discussion of his/her topic based on research, <i>but was not able to lead the discussion.</i>	Candidate's participation in discussion was <i>limited or off topic.</i>
Research Question	Candidate was able to justify research question and participate fully in formulating final question.	Candidate was <i>uncertain</i> about research question and <i>had marginal participation in formulating final question.</i>	Candidate either had <i>no research question prepared</i> OR had a <i>research question that did not match with research provided in proposal.</i>
Documentation	Candidate provided hard copy or electronic documentation for ALL sources mentioned in research proposal.	Candidate provided hard copy or electronic documentation for <i>SOME sources</i> mentioned in research proposal.	Candidate provided <i>NO hard copy or electronic documentation of sources</i> mentioned in research proposal.

Total Score: _____
